CV/Resume

Damian Howard

116 Ortega Ct., Erie, CO. 720-775-5103 daho2353@colorado.edu

Qualifications:

- Computer skills and computer programming (C++, Python, Data Structures, Adobe Creative Cloud, Microsoft & Google products)
- Semi-fluent in French
- Dedication, Problem Solving,
 Collaboration, Critical Thinking,
 Hard working
- Six year leadership course through Mile High Karate

Objective:

My objective is to work in a field where I'm doing something I enjoy, and to have a position where I can learn valuable life skills that will help guide me in the future. In particular I enjoy sound engineering, game design and I also have an interest in computer science. I am part of the Technology, Arts, and Media major with a focus on computer science at CU Boulder, giving me a good background in both engineering and design concepts.

Education:

High School:

Centaurus High School

- Graduate in the Cum Laude (top 20% of the class)
- Graduate with an International Baccalaureate Diploma
- 4-years of pre-engineering College:

Univeristy of Colorado

- CU Boulder engineering program
- -Technology, Arts and Media Major
- Focus on Computer, Science
- Skills in Graphic Design and Sound design,
